Love is unequally yoked with sickness. Labor is lightened by love, but love cannot lighten pain or relieve it. Many a man looks on at his wife's suffering willing to do anything to aid her and able to do nothing.  
Sometimes, however, the husband's attention is directed to Dr. Pierce's Favorite Prescription and its remarkable cures of womanly diseases. He may not have much hope of a cure, but he is led to try the medicine, with the result that in almost every case there is a perfect and permanent cure.  
Dr. Pierce's Favorite Prescription cures irregularity. It dries the drains which weaken women, heals inflammation and ulceration, and cures female weakness.  
As a tonic for women who are nervous, sleepless, worn-out and run-down "Favorite Prescription" is unequalled.  
"In answer to your letter I will say, my wife commenced to complain twenty years ago," writes Lewis A. Miller, ex-Chief of Police, of Prospect St., Westport, Pa. "We have tried the skill of twelve different doctors. She took gallons of medicine during the time she was ill, until I wrote to you and you told us what to do. She has taken eight bottles of Dr. Pierce's Favorite Prescription and she of the 'Golden Medical Discovery.' She can do her own work now and can walk around again and is quite smart." "Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.  
Dr. Pierce's Pleasant Pellets invigorate stomach, liver and bowels.

## REPUBLICANS ELIMINATING THE NEGRO.

The elimination of the negro delegates was the feature of the republican State convention at Greensboro, N. C., yesterday. In nearly every instance there was a white contesting delegation, and the contests were all decided one way, without a dissenting vote. Among the rejected delegates are two ex-Congressmen, O'Hara and Cheatham, the latter having recently retired from the office of recorder of deeds in Washington. The negroes are very angry, and are threatening to organize against the white republicans. O'Hara was strongly outspoken. He said:

"The colored people are as glad to get rid of the white republicans as they are of us. We are not for any set of men, but for principles, and when principles are repudiated, we know what to do. Neither Pritchard nor any one else can make a contract for me. The colored people would be led in any such manner as this. We can organize the negroes if they can organize against us. We are under no obligations to the white republicans. We will not vote for any ticket that emanates from here. I pledge that ten colored votes will be cast against the republican party for every democratic or independent vote that it captures. The colored people will be heard from; they will not vote for a party that kicks them out. I will go to every county in the State where there is any ghost of a show for republican nominee, and secure enough negro votes to bring about defeat. There are many white republicans who feel as we do."

The convention of James Judge Thomas H. Hill, in independent democratic, for chief justice, and authorized the State committee to supply the names of candidates for associate justice. This means that Connor and Walker, democratic nominees, will be placed on the republican ticket. D. H. Abbott was nominated for corporation commissioner and D. A. Long for superintendent of public instruction.

The convention has laid the ground work for an effort to capture the Legislature and return Pritchard to the Senate.

The convention was composed of prominent business men and old line white republicans.

The convention declared that Senator Pritchard was the unanimous choice of the republican party of North Carolina for United States Senator. A strong effort is being made to recruit the ranks of the party from the business element of the State.

THINKS ENGLAND IS WARNED.—President Roosevelt's speech on Monroeism has caused widespread attention in Vienna. The Neue Freie Presse thinks it was directed chiefly against Great Britain and that it "sounds like an answer to the conference of the colonial premiers." The paper believes it will make a deep impression on Great Britain, which country may find herself faced by the prospect of war over Canada with a mighty foe, with which the South Africa states cannot be compared. "Mr. Roosevelt," continues the Neue Freie Presse, "waves his bony fist against England because the Boer war published to the world the poverty of Great Britain's military forces." "It must not be forgotten that Mr. Roosevelt's fanfare was sounded in an election speech. If the head of a European state had spoken in such a manner one might anticipate war in the near future. But American election speeches are only judicious from an American standpoint." The Neue Wiener Tageblatt says: "The speech is a forecast of the platform for the next campaign and is not intended as a warning to Europe, though it comes just at the right time, when the European governments are considering a renewal of their commercial treaties."

FUEL OIL SATISFACTORY.—Although the official report of Lieutenant Winchell, who was detailed to accompany the oil burning steamer Mariposa on her recent trip from San Francisco to the Society Islands and return for the purpose of making a comprehensive report upon every feature of the oil-burning devices used by that steamer, has not yet reached the Navy Department, unofficial data have arrived which are considered satisfactory by those interested in the question of the liquid fuel. The Mariposa from San Francisco to Hawaii is 3,488 knots. It was made by the Mariposa at the rate of 13.12 knots per hour, the whole run lasting 11 days, during which a little over 400 tons of oil were consumed. The number of pounds of oil per knot used on the run was 260.9. It required 1.55 pounds of oil per hour to develop one-horse-power. This is considered quite satisfactory, as under ordinary seagoing conditions it requires about between 2 1/2 and 3 pounds of coal to develop one-horse-power.

## A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwater, Ohio, "an infant child of our neighbor was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days the time the child had fully recovered and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by Richard Gibson, Druggist.

## His Sight Threatened.

"While picknicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison off his hands into his eyes and for a while we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of Counterfeits. For sale by E. S. Leubert & Sons.
